Full Name of Child(ren): _____

Parent/Guardian Full Name(s): _____

Parent/Guardian Cell Phone(s) : _____

Write these numbers on the back of your child's badge as well

Is there anything you would like us to know about your child? (Likes, dislikes, triggers, etc.)

Please read The MarsCon Children Policy, located on the website. If you would like to see a copy, please ask one of our staff members.

If you, the parent/guardian, allow your child to be unaccompanied by you at the Con, the staff **strongly recommends** that you put a **reliable** cell phone number on the back of their badge as an emergency contact. Please remember that ultimately you, not MarsCon, are responsible for the behavior and well-being of your child/ren.

Please also be sure that children understand how to and are consistently using the **Buddy System** whenever possible. Unaccompanied children who are not behaving safely and kindly will be asked to wait at the Lost Parent Station until a parent/guardian picks them up.

The Lost Parent Station is located at Con Ops.

By initialing and signing this form you consent to your child attending MarsCon programming led by volunteers and agree to the MarsCon Children Policy. You understand that while the MarsCon Staff have chosen volunteers that have experience working with children to work in Family Programming, not all programming is part of Family Programming, and MarsCon is not responsible for your child beyond general safety measures. Furthermore, you understand that expectations of your child's behavior during the Con will be such that they can work in a group setting without the need for constant individual supervision. If your child, at anytime, is unable to continue with any Con activity, you will be called to come immediately to either accompany your child or remove your child from the activity.
